

## **Sandvik / Banner Medical Announcement June 11, 2014**

Dear Valued Customer,

Sandvik's Wire and Heating Technology Division is very proud to announce that Banner Medical is our U.S. Stocking Distributor for Medical Implant Materials: 316LVM, 316LSM and selected Titanium products. This new partnership will enable us to best serve our customers while also presenting them with a variety of additional products and services.

Some of the many benefits include:

- Improved Service Levels
- Larger Selection of Inventory
- Shorter lead times
- On-site UT testing at Banner Medical (Latest technology of testing equipment)
- Valued added services (Grinding to specific diameters and tolerances)
- Customer Support Solutions

Effective immediately, please send all orders and inquiries for Sandvik Implant 316LVM, 316LSM and Titanium material to the attention of Banner Medical:

Mike Hadley
